WHERE DO WE MEET?

To Be Determined

WHAT DO I NEED TO BRING?

- Valid ID and agency letters/paperwork (if available).
- Completed Ethos Firearms & Defensive Training class participation form and liability release (attached).
- Handgun (up to 4) that will be listed on your permit. Each firearm must be registered to you or your spouse.
- 100 rounds of factory ammunition for your "primary" training /carry handgun. Bring 20 rounds per additional handgun that you will be qualifying with. No reloaded ammunition please.
- A fitted plastic or Kydex hip holster (inside or outside the waistband) with good retention.
We will be drawing from the holstered position. Therefore, any other preferred method of carry will not be used during the qualification training other than from the waist side. Please notify us ahead of class if you have any questions or concerns about holsters. If using a semi-automatic handgun please bring any extra magazines and a magazine holster if available.
- Eye and ear protection (prescription or sunglasses ok). Limited eye and ear protection available upon request.
- Comfortable clothing and closed-toe shoes. We also recommend wearing a hat and sunscreen (not required).
